Village House in Casarabonela

This impressive property is located towards the top of the village and boasts the old Moorish castle as its next door neighbour ! The house is spread over a number of floors and covers approximately 200 square meters, making this a sizeable property. On the ground floor you will find a lounge, dining room, large kitchen and a family bathroom. On the first floor there are two double bedrooms along with two more large rooms. The second floor offers more rooms plus access out on to a number of sun terraces as well as out to a garden area. This is a large property and with a little redesign and TLC it could be transformed into a very attractive family home.
