## Stunning Villa in Alora

This magnificent villa is located just a few minutes drive away from the local town but yet feels world away. Located just off the main road access could not be better. You enter the property via its own electric gates which have a built in intercom system. From there you drive up the paved driveway to the villa. The villa has just been completed and has been finished to a very high standard. Outside you will find 4500 square meters of land, some of which has been laid to lawn. There is also a 5 x 8 m swimming pool. Inside the property you will find a warm and welcoming entrance hall, a spacious lounge dining room with feature fireplace and beamed ceilings. There are three double bedrooms and a bathroom. The master bedroom also has its own en suite. This is a stunning property and viewing is highly recommended.
