## Village House in Alozaina

This recently reformed village house is a real steal at such a low price. The property itself sits in a quiet road in the typically Spanish village of Alozaina. Inside you will find a warm and welcoming lounge with balcony area just off of it. There is also a fully fitted kitchen with oven, hob, dishwasher, washing machine and fridge freezer. Also on this floor there is a bathroom with WC, sink and shower. Located on the first floor there are two bedrooms and access out on to the roof terrace, which has some great views out over the village. This house also has a lower ground floor with yet another double bedroom. In addition to this there is also a garden area, which is very unusual in a village house. All furniture is included and so the property is ready to move into. This property offers real value for money and viewing is highly recommended.
