## Plot in Alozaina with Building Permission

This stunning piece of land covers approximately 16,000 m<sup>2</sup> and the owner advises us that there is permission to build a 40 m<sup>2</sup> house on the site. The views from this location are stunning and really have to be seen to be believed. This is a fantastic plot of land, with building permission and fantastic views out towards Malaga and the Mediterranean. The area is covered in pine trees and so the scent of pine fills the air, truly magical.
