## Village House in Casarabonela

This attractive village house is located towards the centre of the village and so offers easy access to all the local amenities that this village has to offer. Inside the property you will find a warm and welcoming lounge area, with a defined dining area and open plan kitchen leading from the lounge. On the first floor there are three bedrooms and a family bathroom. On the second floor there is a large covered terrace and another large bedroom, which opens out on to a small terrace. This is a large village house and would make a good investment. Some modernisation is required but the property is priced to reflect this.
