## Village House in Casarabonela

This attractive village house is located right in the very heart of this beautiful whitewashed Spanish village. As you enter the house you are greeted by a spacious lounge area with a separate utility room at the far end. On the first floor there are two bedrooms, one of which is currently being used as an office. Also on this floor is a modern fitted bathroom. On the next floor there is a fully fitted kitchen, bathroom and master bedroom. The third floor features yet another lounge and access out on to the roof terrace. The roof terrace is partly covered and would make a great spot for some al fresco dining. The terrace also offers some spectacular views out across the village.
