## Villa in Casarabonela

This impressive villa is located just on the outskirts of the village and so affords easy access to all that this stunning whitewashed Spanish village has to offer. The property itself is surrounded by 670 sq mtrs of garden and so has a tropical feel about it. Inside the villa there is a central hallway, which gives access to a large lounge with feature fireplace. There is also a large kitchen on this floor, which is fully fitted and has ample amounts of storage. On the first floor there are three double bedrooms and also a fully fitted family bathroom. Outside there is a covered area with barbeque, as well as large paved area with a lemon tree at its centre. There is also covered parking at the front of the property. This is a stunning villa and viewing is highly recommended.
