Villa just outside Casarabonela

This attractive villa is located about 10 minutes drive outside the village of Casarabonela and so is within easy reach of all the local amenities that this village has to offer. The property itself boasts a very large open plan lounge with panoramic views out of most of the windows. Just off of the lounge is a dining area, which then leads to a galley style kitchen. The kitchen comes with all the mod cons that you would expect to find in any modern kitchen. Also located on the ground floor are two double bedrooms and also a family bathroom. On the mezzanine floor there is the master bedroom. Outside the plot covers approximately 10,000 square meters and is dotted with olive and pine trees. Lastly there is also a 10 x 5 m swimming pool.
