## Urban Plot of Land in Casarabonela

This large plot of urban land is located in the very picturesque village of Casarabonela. The plot is ideally situated close to all the local amenities that this village to offer. The site would lend itself to any number of uses. It would be possible to construct a 'local' or business premises on the ground floor and then two apartments above. Each apartment would have 2/3 bedrooms, a kitchen, lounge and roof terrace. A project would be needed but this is something Country Sun could assist with. This is a great plot with a lot of potential. These type of plots are rare in Casarabonela and so an early viewing is recommended.
