Two Bedroom Apartment in Casarabonela

This spacious two-bedroom apartment is located right in the very heart of Casarabonela and so is close to all the local amenities that this picturesque village has to offer. The property is located on the first floor of the building, as you enter the apartment you are greeted by a large open plan lounge and a galley style kitchen. The lounge is a good size and has a feature fireplace on one corner. There are also some great views from the two full-length windows. The property has two large double bedrooms, which are both bright and airy. There is also a fully fitted family bathroom. Lastly perhaps the best feature of this property is the large roof terrace, which is accessed via a spiral staircase in the lounge. This terrace offers some truly stunning, uninterrupted views out over the surrounding countryside and down towards the Mediterranean in the distance. This is an attractive property, which would make an ideal holiday home or a permanent residence for a longer stay. All the furniture is also included.
