Large Detached House just outside Casarabonela

Set in an environmentally protected area and just 20 miles inland from Malaga the Village of Casarabonela retains the taste of traditional Spain whilst also offering all modern amenities. In addition there are many small bars and several restaurants serving local dishes.

This delightful property is located just on the outskirts of the village of Casarabonela and so offers the best of both worlds; its offers the peace and quiet of the countryside combined with ease of access to all the amenities that the village has to offer. The plot itself is approximately 9,000 square meters and is made up of a five-bedroom house, gardens, a swimming pool and also a two-storey outhouse.

The property is accessed right from the main road across a bridge, which spans the stream that runs past the house. The gardens are filled with lush tropical vegetation and are well maintained. There are numerous places to sit and enjoy the sun or dine outside 'al fresco' style.

Once inside the house the property doesn't disappoint. There is a large entrance hall with many original features still in place; two of the most striking are two large wine presses that add instant character. The lounge is spacious and has a feature brick fireplace. There is a fully fitted kitchen with all the usual modern conveniences as well as a small pantry area. Leading from the kitchen there is access out on to a bright sunny terrace area. The terrace has good views out over the countryside. There is also covered parking for two cars.

Located on the first floor are five double bedrooms, all are bright and airy. The master bedroom is very large and is also en suite. There is also a good-sized family bathroom with all the usual fixtures and fittings.

Leading up from the first floor is access to the second roof terrace, which has stunning views out over the surrounding countryside. It also gives spectacular views of the village of Casarabonela.

Located in the extensive grounds is a two-storey 'outhouse' that could possibly be converted in to further accommodation, an office or workshop if required. The property also has a fully fenced swimming pool measuring approximately 5 by 8 meters. There are two wells and a water reservoir. All furniture is also included in the sale. The house is fully alarmed and in addition has a telephone connection.

Summary – A substantial property that offers the potential buyer all the benefits of living in the countryside while being in a location that affords easy access to all the modern amenities that the village has to offer. With its five bedrooms, lush tropical gardens, swimming pool and stunning views this is truly a dream Spanish property.
