Brand New Luxury Villa in Casarabonela

This stunning villa is located just outside Casarabonela just off the road that links Casarabonela with Alozaina so access is brilliant. The property has only just been built and so all the finishes are brand new. Inside you will find a large lounge with feature fireplace and two patio doors which lead on to the pool. Also on this floor is the modern kitchen with access out to the garden, a pantry and a downstairs WC. On the first floor there are two double bedrooms and a family bathroom. This is a great property in a beautiful location and the views are out of this world. We expect interest to be high and so an early viewing is advised.
