

Property REF 2008.13.03.381

Huge plot of land in El Burgo

This beautiful plot of land is located just a few minutes drive outside the village of El Burgo and yet feels a world away. The land covers approximately 140,000 square meters and offers some truly stunning views of the surrounding countryside. The area is filled with various trees including olive trees and the scent of pine trees hangs heavy in the air. There is a well at the site and electricity is near by.

great investment
