## Village House in Yunquera

This attractive village house has been recently reformed to a very high standard. As you enter the property you are greeted by a warm and welcoming lounge, which has a feature fireplace at its heart. A small flight of stairs then leads to a rustic style kitchen which features all the usual fixtures and fittings that you would expect to find in a property of this quality. On the first floor you will find a bright and airy double bedroom as well as a twin bedroom with two single beds. Located on the second floor is yet another bedroom as well as a good size family bathroom with bath and shower. Lastly this floor also provides access out on to the roof terrace, which has some good views out across the village. This is a very nice, recently reformed village house, which would make a very comfortable home.
