## Village House in Yunquera

This quaint village house is located towards the centre of the village of Yunquera and so offers easy access to all the local amenities that this village has to offer. As you enter the house you are greeted by a cosy lounge with a feature fireplace at its heart. Just off of this is the kitchen, which has a sink, hob and fridge freezer. On the first floor there are two bedrooms, the first is compact but there is enough room for a single bed. The second is bright and airy with attractive beamed ceilings. The bathroom is again compact but fully functional. This property would make an ideal holiday home and a great base from which to explore this beautiful part of Spain..
