Village House in Yunquera

This interesting house is located in the picturesque village of Yunquera and offers any potential buyer the opportunity to purchase a reformed house which still also has the scope to improve it further. In addition to the main house, which is described below, there is also a stables which could be converted to a number of other uses. The reformed section of the property comprises an American style kitchen and a large living room with feature fire place on the ground floor. On the first floor there are four bedrooms, three of which are double and one is a single. In addition there is also a modern fitted bathroom. On the second floor there is yet another large room which could be converted as well as access out on to the roof terrace. The terrace boast some fantastic views out across the village.
