Village House in Yunquera

This large property is located in the very picturesque village of Yunquera. It is in need of some reform but is price to reflect this. As you enter the property you are greeted by a warm and welcoming lounge with a fire place at its heart. There is also a good size dining room and kitchen. Also located on the ground floor there is a bathroom and small patio area. On the first floor are two rooms which would make ideal bedrooms. This is a great property and with a little TLC could be made in to a very attractive home.
