## Bar in Yunquera

This attractive bar is situated in the busy village of Yunquera and offers any perspective buyers the opportunity to purchase a modern, fully furnished, typically Spanish bar. The bar itself is located in a courtyard area and is surrounded by residential accommodation (a ready source of clientele) There is plenty of room for tables and chairs to be put outside the bar and the area could be made very attractive. Inside, the horseshoe shaped bar measures approximately 2 m by 3 m and is colour coordinated in black and green with the rest of the furnishings. There are 'snugs' in each corner as well as tables and chairs and plenty of bar stools. This is a unique opportunity to buy a full fitted bar at such a low price, viewing is highly recommended.
