Village House in Yunquera

This large village house really would make an ideal purchase for anyone looking for a property that is ready to move straight into. It is being sold with all furniture included and is in our opinion in very good condition throughout. On the ground floor there is a warm and welcoming lounge / diner as well as a fully fitted modern kitchen. On the first floor there is a bathroom and large double bedroom with built in wardrobes. The second floor offers two more bedrooms, a storage room and access out on to the roof terrace. This is a modern family home, which is ready to move into.
