Village House in Yunquera

This village house is located in the picturesque whitewashed village of Yunquera. It is centrally located and so offers easy access to all the local amenities that this village has to offer. Inside the property you will find a bright and airy lounge with a kitchen that leads just off of it. Also located on this floor are two bedrooms and a bathroom. Upstairs there are another two bedrooms as well as access out on to a roof terrace. This offers some great views out across the village and to the mountains beyond. With a little redesign this could be made into a very nice property.
