## Great Little Finca in Yunquera

This great little finca is a real steal at such a low price. Although the property does need some modernisation it is priced to reflect this. For a very modest investment this property could be turned in to a real gem. Located just outside the village of Yunquera the finca is accessed by a rustic track road. The plot itself is approximately 8,000 square meters in size and so privacy is assured. The land is dotted with various trees and shrubs and the views are spectacular. Inside the property boasts a living room, kitchen area, a bedroom and a bathroom. water and electric are connected. This is a great property and we expect interest to be high and so an early viewing is recommended.

*great investment*
