Village House in Yunquera

This recently reformed village house really does offer value for money. It has been carefully renovated both inside and out. The property is located close to the centre of Yunquera and so is within easy reach of all the local amenities that this village has to offer. As you enter the house you are greeted by a warm and welcoming sitting room, which at present is being used as a dining area. Just off of this is the fully fitted kitchen, which comes complete with oven and hob. On the first floor you will find a double bedroom and hallway with storage area. Stairs then lead you up to the second floor where there is another bedroom and a good size bathroom with shower. Lastly on the third floor there is access out on to a small roof terrace with some fantastic views out across the countryside. This is an attractive property, which is priced to sell fast so an early viewing is recommended. In addition all furniture is also included.
