## Finca in Yunquera

This charming finca would suit someone who is looking to get away from it all as it is located right at the end of a long driveway. The property itself is located close to the attractive village of Yunquera and so offers easy access to all the local amenities that this village has to offer. The finca needs finishing inside but this would allow any perspective buyer the opportunity to finish it to their exact specification. It may also be possible to add another floor to provide additional living space. Water and electric are close by and just need to be connected.
