Finca just outside Alora

This delightful finca is located only minutes away from the very picturesque town of Alora and therefore allows easy access to all the amenities that this town has to offer. The finca itself is nestled in a small hamlet with two other properties and so would suit someone looking to fully immerse themselves in the Spanish culture. The property sits on a good sized plot which has numerous outbuildings on it. It also comes complete with a fenced area of land just opposite. Inside you will find a good sized lounge and dining room (currently being used as a bedroom). In addition there is also a kitchen and bathroom on the ground floor. On the first floor there is a large bedroom and a huge landing which could be turned in to an additional bedroom as well as access out on to a large terrace. The views from this terrace are amazing. This is a versatile property which is in need of some redesign and modernisation but which could be turned in to a real gem at very little cost.
