Village House in Casarabonela

This charming village house is located close to the centre of the village, so is close to all local amenities and yet is situated at the end of a quiet little road, which gives you the best of both worlds. As you enter you are greeted by a warm and cosy lounge area with a spacious kitchen located just off of it. The kitchen is fully fitted with a very generous amount of working space. There is also a 'snug' next to the kitchen, which boasts a large feature fireplace. Also located on the ground floor are a further two rooms which are currently being used as a pantry. On the first floor there are two large bedrooms, one of which has access out on to a roof terrace. Lastly on this floor there is a very good-sized bathroom with full sized bath, which is unusual for a village house. Located on the second floor is the master bedroom with a nice en suite bathroom just off of it. This room also gives access out on to a roof terrace which boasts great views of Casarabonela as well as out over the countryside.

Building Size	160 square meters approx
